

ARTICULATION AGREEMENT

Between

THE PENNSYLVANIA ACADEMY of the FINE ARTS

And

DELAWARE COLLEGE of ART & DESIGN

Scope of the Agreement

The Pennsylvania Academy of the Fine Arts (PAFA) is pleased to partner with Delaware COLLEGE of ART and DESIGN (DCAD) in this Articulation Agreement to ease the transition of fine arts transfer students from the College to the Academy. The current agreement will expire three (3) years from the signing date so that curriculum and other updates can be made in an orderly and planned fashion.

Requirements/Conditions for Transferring to PAFA

- DCAD students may transfer into the BFA program. Students may not transfer into the PAFA/PENN BFA program unless they are willing to forfeit all liberal arts credits which are not transferrable to this program.
- Only graduates of the Associate in Fine Arts will be considered for transfer admission. Any courses completed outside of DCAD will need to be evaluated individually by PAFA for transferability.
- International students are eligible for transfer provided that they meet the TOEFL or IELTS requirements for all students transferring to PAFA.
- A maximum of 63 fine arts and/or liberal arts courses can be transferred to the PAFA programs listed above.
- A grade of "C" or better is required in each course.
- If requested, students must submit a portfolio representative of their work in each fine arts course. The portfolio acts as a visual transcript that helps PAFA faculty determine the level of skill achieved in the course.
- Students should submit a second portfolio – broader in scope and including work not related to classroom instruction – to support their request for scholarship aid.
- The PAFA application fee is waived.
- Students transferring from DCAD are eligible for the Community Connection scholarship. Students must attend PAFA full-time to receive this scholarship. The scholarship is renewable each semester until degree requirements are complete as long as the student maintains a 3.0 GPA and is enrolled full time.
- Students must complete the PAFA application by March 15 in the Spring semester prior to Fall enrollment.

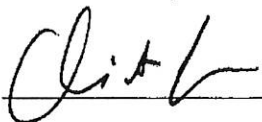

Transferability of Credits

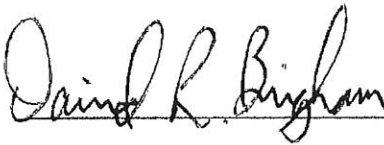

The table attached illustrates the one-to-one correlations between courses at DCAD and at PAFA. It is PAFA's intention to automatically transfer each of the DCAD studio art courses listed in Addendum A, *unless the Admissions Committee feels, based on its review of a portfolio, that the necessary skill level was not attained in a given course.* In these cases, some course credit will not be transferred, and the student will not be able to skip that course equivalent at PAFA.

In the case of a significant curriculum change at either institution, the current agreement will be reassessed. Should this Agreement be terminated, it is understood that students already accepted to PAFA through the effective date of termination will continue to receive the benefits articulated in the original terms of the Agreement.
